HELP Plan Copayment Requirements

On April 29, 2015, Governor Bullock signed into law Senate Bill 405: HELP Act. This plan was established to expand health coverage in Montana to an estimated 70,000 new adults with incomes up to 138% of the Federal Poverty Level (FPL). Coverage began on January 1, 2016. There have been a fair amount of questions on and around the area of copayments. The following services are exempt from copayment under Federal or State Law: (see list below).

For services where copayment may be applied, it is important to note that copayments may not be charged to the participant until the claim has been processed through the claims adjudication process and the provider has been notified of payment and copayment amount owing. MT ARM 37.84.108

HeW Communication Required Software Changes Coming!

In an effort to stay on the cutting edge of Revenue Cycle Management (RCM), Health-e-Web (HeW) partnered with Availity in 2014, to bring the best of both organizations to our valued Rocky Mountain Health Network members.

RMHN members currently using HeW will be able to take advantage of RCM solutions along with a fast and easy upgrade path. Look for notices with more detailed information about the upgrade and the timeline for its release.

Medicare & Montana Medicaid Credentialing

BIG SKY CREDENTIALING

Are you being overwhelmed by revalidation requests from Medicare and/or Montana Medicaid? Big Sky Credentialing is a Credentials Verification Organization (CVO) that offers a variety of credentialing services including payer enrollment. Let us use our expertise to reduce the administrative burden of Medicare/Medicaid enrollments and to help get provider's enrollments completed as quickly as possible. We complete all applications and the necessary follow up needed in order to achieve successful new or re-enrollments. Give us a call today at (406) 241-3362 or email kyoungberg@bigskycredentialing.com.

UPCOMING EVENTS

PacificSource 2016 Fall Workshop

Mansfield Center - Burns Auditorium

Wednesday, November 10, 2016

Breakfast	**8:00 to 8:30 am**
Workshop	**8:30 to 10:00 am**

Welcome New Members

(Aug 2016)
